Mary,

Reference our previous conversation concerning historical TCEQ files that possibly contain microfilm copies of the following permits (please email located images to me):

1. Please review "Texas Air Control Board" and "Texas Department Of Water Resource" historical files for copies of the below permits:
  - \* Texas Air Control Board Permit No. R-6027 (Crude Oil Topping Plant and Barge Dock No. 1 R-1 Ingleside, San Patricio County, Texas)
  - \* Texas Air Control Board Permit No. R-6625 (Crude Oil Topping Unit No. R-2 Ingleside, San Patricio County, Texas)
  - \* Texas Air Control Board Permit No. C7557 (Unleaded Gasoline Production Facility Ingleside, San Patricio County, Texas)
  - \* Texas Department Of Water Resources Permit No. 02142, approved November 17, 1980, as renewed by Texas Water Commission order, dated March 30, 1983.
2. Please also review the same two historical files for correspondence that pertains to any of the following described facilities that had been located in Ingleside, San Patricio County, Texas prior to November 17, 1980:
  - \* Oil refinery
  - \* Petroleum refinery
  - \* Crude oil topping plant and Barge Dock No. 1
  - \* Crude oil topping Unit No. R-1
  - \* Crude oil topping Unit No. R-2

\* Unleaded Gasoline Production Facility

Concerning above item 1, please email located images to me.

Concerning above item 2, please advise me via email if copies of the described correspondence exist in one or both of the historical files.
